\$19.99 – choose from:

Pepperoni Pizza Kit, Cheese Pizza Kit, Personal Pizza Kit Combo, Thin Crust Pizza Kit or Italian Cheese Bread Kit

\$17.99 – choose from:

Crazy Bread Kit, Chocolate Chunk Cookie Dough or Oatmeal Raisin Cookie Dough

FedEx Shipping is an additional \$6.99 for up to two Pizza Kit items (so...it's the same price to ship any two kits as it is one!). If someone buys 3 kits, they'd be charged another \$6.99 and the 4th will ship at the same price.

The Pizza Kits are two-counts, the Personal Combo has six pizzas (3 pepperoni and 3 cheese), and the cookies are 30-count. Although the price per pizza is higher than our traditional program, the prices are still far below average fundraising prices which are about \$14-\$15 per pizza. This program is designed to be convenient for everyone and costs a little bit more.

The shipping fee is incredibly reasonable. We will ship these kits to arrive safely to customers, so there's special packaging and gel ice-cold packs in every box, and they are being delivered by FedEx right to the buyer's front door.
